Neurological Specialists

Independent provider of specialist
neurological rehabilitation services

Placing you at the centre of your care

"Hoorah for
Hobbs!
I have no hesitation in
recommending
Hobbs Rehabilitation.
I look forward to my therapy
sessions each week because
afterwards I leave feeling so
much more alert
and positive."

Inga Sanders

Hobbs Rehabilitation
provides neurological
physiotherapy and
occupational therapy in the
community setting.
Home, gym, pool and place
of work sessions are available
to help ensure that every
individual can reach their full
potential.

We treat all neurological conditions including Stroke,
Acquired Brain Injuries, Multiple Sclerosis,
Parkinson's Disease and Spinal Cord Injuries.
