Neurological Specialists

Hydrotherapy Pool for all

‘Watching Dylan in the pool gave me the hope I really needed to believe we would get our Dylan back eventually. We will never forget what you have done for us.’

Claire Sartin

Hobbs Rehabilitation South West

has a private Hydrotherapy pool available to book for classes and individuals.

A qualified neuro physiotherapist is available for one-to-one sessions and guided exercise programmes.

Both adults and children are welcome to our fully accessible pool which has a hoist and changing plinth. Come and join us at one our Hydro groups or book a session with one of our specialist Neuro Physiotherapists.

- **Hydro Group:** several classes each week available
- **Pool Rent:** private use for individuals
- **One-to-one Physiotherapy session**
45 minute session, 15 minute changing time
